

Final assignment for Physics 110-06 – Extra Dimensions

November 3, 2003

Your final assignment is a 10 page research paper on a topic related to something interesting in the Universe

The paper should be written in a serious research style using at least 5 primary and secondary sources. All sources need to be referenced and quotes need to be credited. At least 3 of the sources should be books or periodicals.

Schedule:

November 10, discussion of potential topics

November 17, turn in outline for paper including list of sources

November 24, turn in first draft

December 10, turn in final draft
